

Careers Leadership Programme

Ambition is the leading national school leadership development charity, training over 10,000 leaders in over 2,400 schools. Our new programme focuses on developing the essential leadership skills needed to enable careers leaders to design and implement a successful whole-school careers strategy that directly impacts the lives of those who need it most.

Free to
schools

What are the benefits?

- Fast track your development with our six-month programme
- Create a careers strategy that meets the Gatsby Benchmarks and new statutory guidance
- Develop key leadership skills to embed and implement your careers action plan

Why choose Ambition?

- **Experts:** We are the leading school leadership development organisation
- **Rigorous:** Our programmes use a curriculum of technical skills, knowledge, and behaviours underpinned by our leadership expertise
- **Flexible:** Our programme model meets personal learning objectives and fits around school responsibilities
- **Varied:** Our modules include up to four face-to-face conferences plus virtual learning
- **Connected:** Join a network of local and national peers and gain access to top UK leadership and careers experts

Programme details

- Up to four leadership themed Saturday conferences
- A range of webinars led by careers experts
- Peer learning groups: a close network of careers leaders who will support and challenge you
- Visits to employers, further education colleges, and universities based on best practice frameworks for developing strategic partnerships.
