

Moderation and Assessment

Drop In Sessions

Writing Year 2

We are holding some drop in sessions across County again this year.

These sessions will offer year 2 teachers the opportunity to moderate out of school/partnership while at the same time being able to talk to teachers who have worked as moderators for the Local Authority.

The drop ins will look at the 'potential' for work to be at a certain standard by the end of the year and teachers are invited to bring a small sample of books, e.g. one WTS, one EXS and one GDS (you may like to include some that are borderline or have an area to develop). Moderators will be present to give advice.

Should a session be oversubscribed, we may need to allocate another session, which will be confirmed two weeks prior to the drop ins.

Aimed at: Year 2 teachers
