Continuing Professional Development

A series of CPD sessions for both specialists and non-specialists teachers of Physics.

All cpd is free and for FPL partner schools the Institute of Physics will pay cover costs for attendance at the half day specialist sessions.

Non-specialist's sessions will concentrate on KS3 and early KS4

Specialist's sessions will concentrate on late KS4 and A level. All specialists' sessions will take place at Ponteland High School. Each session for non-specialists will run twice, once at Ponteland High School and once at James Calvert Spence College.
