

Latest guidance on how to write a pupil premium strategy statement (October 2019)

On the 18th October 2019 new guidance and templates were published by [GOV.UK](https://www.gov.uk) on three year pupil premium strategy statements.

The link below will take you to this guidance:

There are both blank templates and examples of completed strategy statements for primary, secondary and special schools. There are also helpful documents on the service premium and letters/forms for parents to fill in to claim the early years premium and premium for the other age groups.

I have also produced new templates for our Northumberland schools (First, Middle, Primary and Secondary) that are practically the same as those on the [GOV.UK](https://www.gov.uk) site. However, as Ofsted are still looking at within school gaps between PP and non-PP and comparing PP outcomes to the national benchmarks for pupils not eligible for PP funding, I have included more data in section 2. The templates are available on the Northumberland Education website.
