The 5 O'Clock Update For Schools

Health and Safety Executive (HSE) - Spot check of Schools during Covid19

Starting next week the HSE are introducing nationwide spot checks of schools in relation to their Covid arrangements/risk assessment and are requesting that schools are made aware that they may be contacted by an HSE inspector. Our Health and Safety team have prepared information along with a couple of other items regarding face coverings and a flu immunisation risk assessment, all of which can be found via the link below:

As always, our Health and Safety team is on hand to assist schools with any queries they may have and provide support should the HSE raise any concerns.
