

Consent to Request Inclusion Support from Northumberland County Council Early Years Inclusion Consultants

The Early Years Inclusion Consultants will support the school, nursery or child minder and the staff working with your child. They will provide advice on interventions and strategies for staff to use, offer potential ideas of next steps to take and support the staff to fully include your child.

By agreeing to your child's school, nursery or child minder requesting support, you agree to the Early Years Team holding the personal information included about you and your child. This information will be held on the Early Years central secure data system. Some information contained within may be shared with other relevant professionals and Ofsted for the purpose of meeting our statutory duties, keeping children safe in education and promoting the learning and development and safeguarding and welfare of children.
