

My name is Adam and I am an account executive at Currys. I can provide quotations with exclusive pricing on a range of our goods.

Currently, schools qualify for free delivery on all domestic large screen TV's and white goods as well as an average between 3-5% off the price of the goods (product/quantity dependent).

If the units are coming direct from our suppliers we can request bulk pricing with support from the manufacturer, these discounts vary on quantity and can be as much as 10% off the standard unit price.

Some products will have zero flexibility but the best way to find out is by asking.
