

Whole School support from The Key

The guidance, resources and CPD that matter to your school, your staff and governors right now. Designed for them to actively engage and make a real impact

With Whole School membership, your school will get access to:

- A library of templates, articles, model policies and more, on all aspects of school leadership
- A unique blend of designated safeguarding lead resources, eLearning for all staff, a dedicated online safety hub with support for parents, plus the most comprehensive INSET pack on the market
- A secure place to manage the work of your governing board alongside expert advice, resources, and training when you need it
- Practical, live, leadership courses for senior and middle leaders, teaching you the skills you normally only get from years in the job
- Essential on-demand statutory training for every member of staff who needs it, to help you meet your statutory requirements in critical areas including the UK GDPR and health and safety
- Access to **KEYGPT**, our very own version of ChatGPT that is personalised to your school, leverages our content so that you can trust the information it provides and has safeguarding provisions in place so it is a safe space to work in **Learn more about The Key: thekeysupport.com/why-us**

We are pleased to offer new customers **20% discount on our Whole School Service** .
