Alliance schools are able to access some new support for science teachers/leaders

Primary Science Support

Helen Spring is a Primary Science and Outdoor Learning Consultant at [Spring Learning](#). She is also the author of [Teaching Primary Science Outdoors](#), the [Primary Science Quality Mark](#) Region Lead for the North East and Scotland and a Primary Consultant for [CLEAPSS](#).

Helen has put together a collection of resources for first/primary schools which you can access [here](#).

Helen can provide FREE virtual or face to face sessions up to 2 hours for groups of science teachers/leaders covering PSQM, CLEAPSS, subject leadership and science teaching outdoors. Support from Helen would be a great way to start your alliance science network.

If you would like to take advantage of Helen's expertise please do get in touch via helenspringlearning@gmail.com
