

**SATs**

# Springboard

A personalised revision roadmap for your year 6s!

**Find what's missing, quickly**

Run an LbQ Springboard diagnostic and our instant question-level analysis provides you with evidence.

**Personalised next steps**

Springboard pinpoints skills gaps at class, group and individual level, then provides the perfect practice/mastery resource to address them.

**Bespoke interventions**

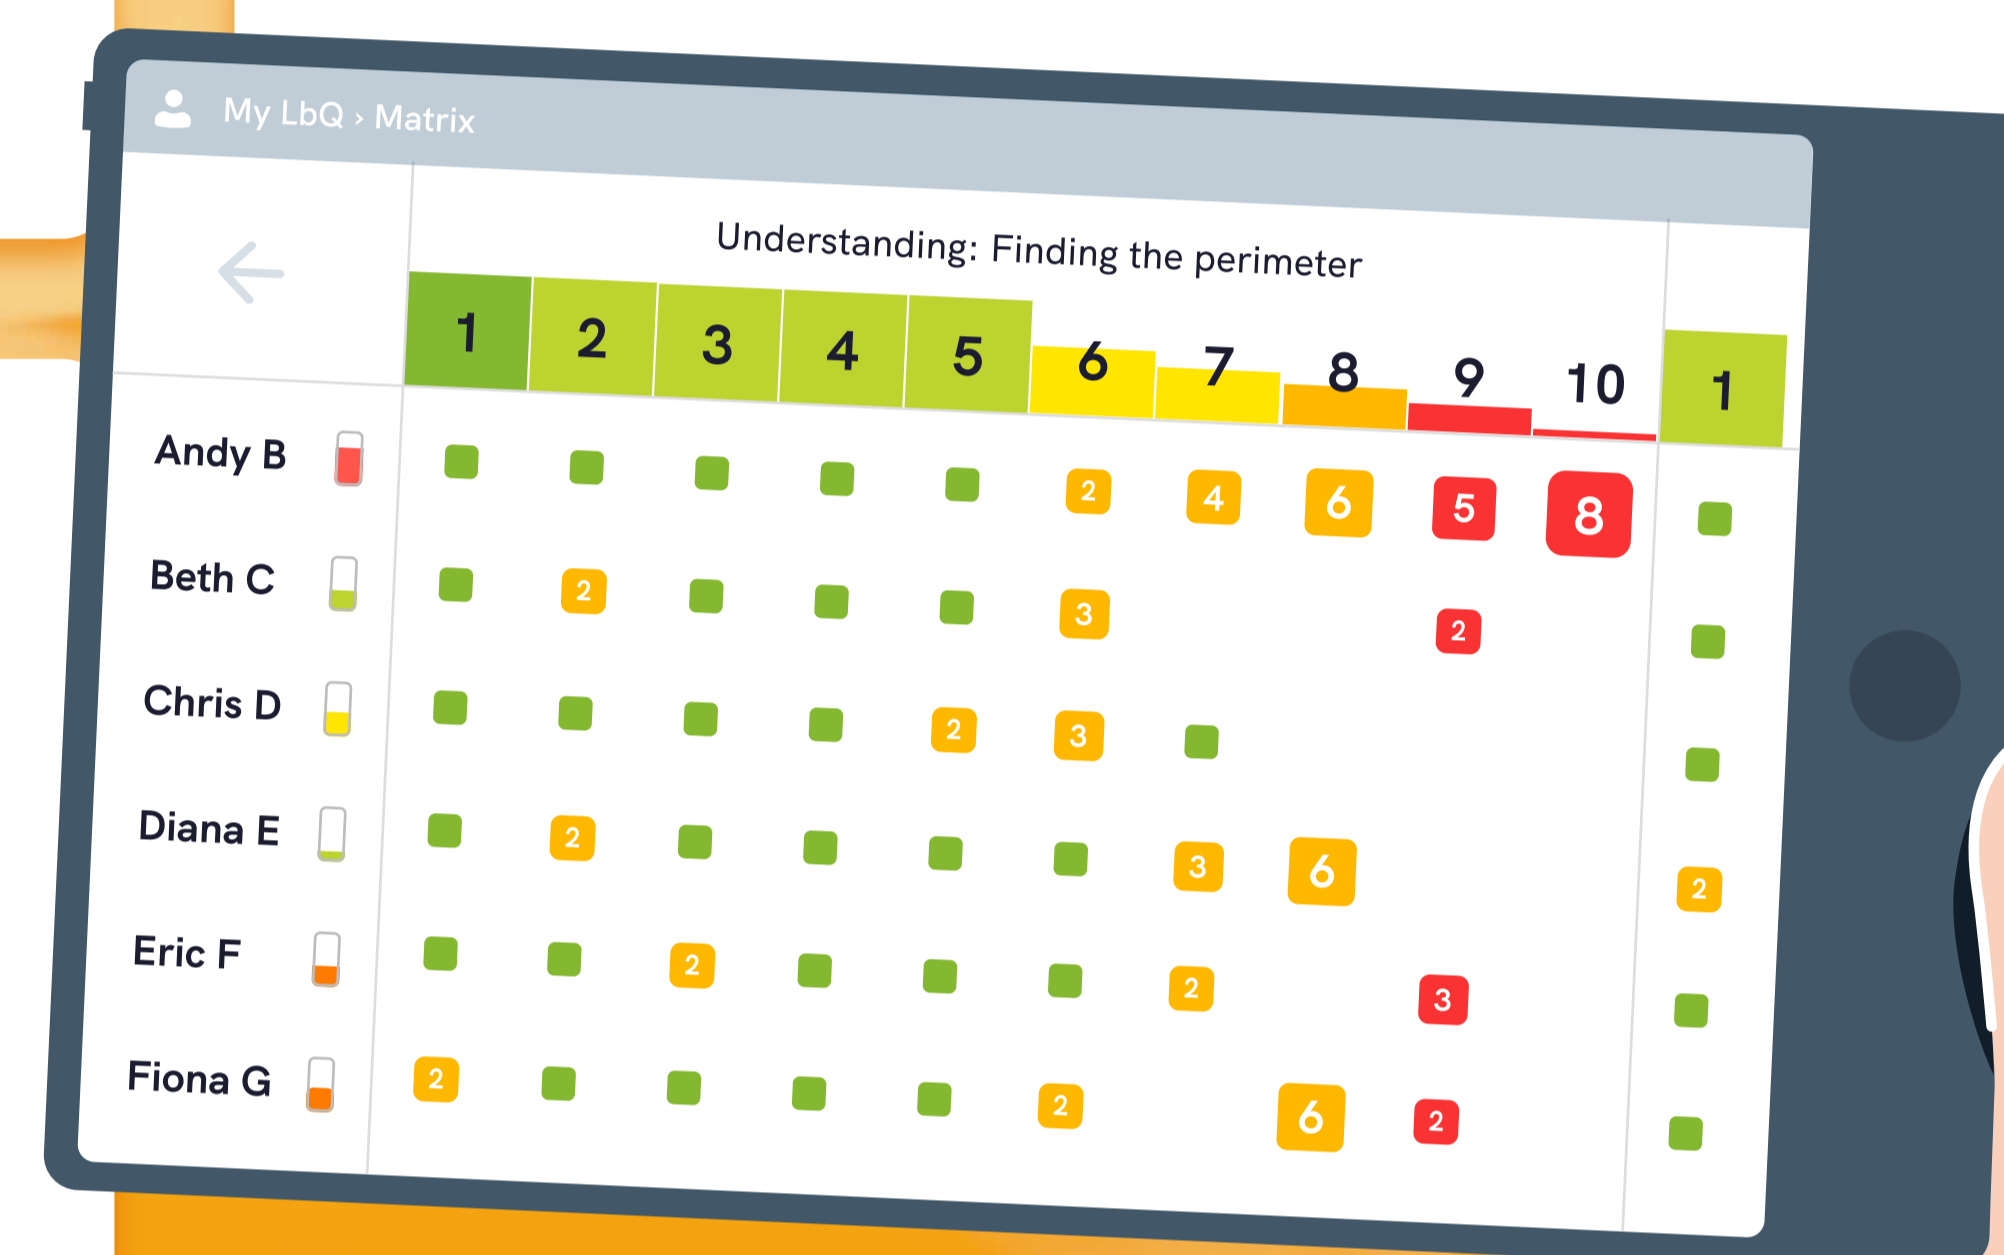

Recommended resources that tailor tasks to a targeted group and appropriate member of staff.

**KS2 resource hub**

Pitch-perfect, scaffolded KS2 maths and English resources provide the right level of stretch and challenge.

**Bridge the gap between school and home**

Deliver meaningful, engaging homework that perfectly aligns with your lessons.

**98%**

of teachers who use SATs Springboard said their pupils made greater academic progress.

**92 %** said pupils completed SATs prep with less anxiety.

**97 %** of teachers say their wellbeing has been positively impacted.

**100%**

of teachers agree that their workload is reduced.

Impact Survey (June 2024) —>

**“Our class averages are rising at a rate of 5% a week!”**

Sara Herriott, Head of School
