

## Ringway Primary School – kitchen equipment

Ringway Primary School is part of the DfE School Rebuild Programme (SRP) and because of this, there are kitchen items available for redistribution to Northumberland Schools.

You can arrange to view the items with Ringway Primary School directly **before Friday 27th March 2026**.

Below, are images of the available items.

Please note, there will be no loose items, e.g. pans, tins etc only the large items that may be storing such items in the images below.

If you are interested in any items, you will be required to arrange disconnection and transportation in the Easter school holidays (preferably week 1). It is your responsibility to have the items disconnected and re-connected by an appropriate registered professional.

There is no option to collect the items after the school holiday.

Once you have viewed and identified the item(s) that you require, please confirm your selection by emailing [Jacqui.Pearson@northumberland.gov.uk](mailto:Jacqui.Pearson@northumberland.gov.uk) stating the item(s) and preferred collection date. Items will be confirmed on a first come, first served basis.
