## SCHOOL FRUIT AND VEGETABLE SCHEME - A CLOSER LOOK

### WHY IS THE RESEARCH IMPORTANT?

- Helps evaluate the impact of the scheme on children's food intake.
- Provides real-world evidence to inform government policy and improve nutrition standards.
- Captures schools' and parents' voices to shape future decisions.
- Supports national efforts to tackle childhood obesity and poor diet.
- Contributes to a vital NIHR-funded study influencing health and education strategies.

### SCHOOL BENEFITS

- £150 thank you voucher
- £10 vouchers for participating parents
- School NIHR project partner certificate

VOUCHER

### WHATS INVOLVED?

- School survey
- Short class teacher interview
- 1 full school observation day
- Help recruiting & informing parents
