

SKILLS FOR CAREERS CHILDCARE

If you are considering a career in childcare, looking to re-engage with learning or seeking support to overcome barriers to entering the childcare workforce, this qualification will support you to develop the knowledge and skills needed to care for young children.

Study units on this 6-week course include:

- Children's growth, learning & development
- Valuing & respecting children
- Personal and professional self-development
- An awareness of children with Special Educational Needs & Learning Difficulties

This course is suitable for individuals aged 19 years and over who do not already hold a full Level 3 qualification (e.g. A Levels or equivalent). Learners must have Level 1 English and maths, or be willing to work towards these alongside their main study programme.

Upon successful completion of this qualification, you can progress to:

- ✓ Early Years apprenticeship
- ✓ Teaching Assistant Apprenticeship
