Dear Students, Parents and Carers

We are delighted to invite you to **Northumberland Skills – Apprenticeship Connect on Saturday 7th February from 10am-1pm**, a major event hosted by Northumberland County Council at County Hall in Morpeth to support young people in exploring future careers, apprenticeship opportunities and local pathways into employment.

This year's event links with **National Apprenticeship Week 2026** (9–15 February) - a nationwide celebration recognising the positive impact apprenticeships have on individuals, employers and communities.

This free event is designed to help students who are considering their next steps - whether that involves choosing an apprenticeship, exploring a particular career sector, or understanding what skills employers are looking for. It's a fantastic opportunity to explore how apprenticeships help develop valuable Skills for Life.

Location: County Hall, Morpeth, Northumberland, NE61 2EF
Date and time: Saturday 7th February, 10.00am – 1.00pm
Cost: Free

At Apprenticeship Connect, young people can learn more about:

- Current and upcoming apprenticeship vacancies
- Entry routes into a wide range of industries
- Training pathways and skills development
- Career opportunities across Northumberland

Whether you're in Year 10 exploring future options, a school leaver considering apprenticeships, or a parent/carer looking for clear information to support your child, this event offers valuable guidance and insight. We encourage all young people - and their families - to attend, ask questions, and discover the exciting opportunities available here in Northumberland.

Yours sincerely
